Design online with KONE Studio

Explore different elevator options and configurations online before starting a new project. Make the right design choices, use the correct dimensions and get accurate planning specifications.

Design with 3D visuals

Find the look you love with a simple, easy-to-use and free online design tool.

Use exact building specifications

Optimize planning with accurate and always up-to-date product data.

Save project details

Test and finalize your custom designs, then make changes later if needed.

Export CAD and BIM drawings

Identify potential issues and plan ahead to avoid surprises during construction.

TD2

Materials:
Brushed stainless steel base
Tempered glass door
Brushed or polished aluminum

KONE MediaScreens

KONE MediaScreens are installed inside the elevator and take the pain out of communicating with tenants and other users of buildings. There are offline and online versions. Consult your sales representative for more information.

KONE MediaScreen 300

The content is updated online and remotely. The screen can be installed on the elevator wall and comes with the online KONE Information 300 service, a powerful and easy-to-use solution for sharing and scheduling content.

Scenic elevators

KONE Scenic elevator solutions combine proven technology and inspiring car designs to create elevators that are attractive and spacious, and which give you the opportunity to showcase your building. They are available for KONE S MonoSpace® DX and KONE N MiniSpace™ DX elevators. Our standard scenic elevators combine the expansive views of attractive glass feature walls with our wide range of high-quality interior design options and accessories.

KONE provides innovative and eco-efficient solutions for elevators, escalators, automatic building doors and the systems that integrate them with today's intelligent buildings. We support our customers every step of the way: from design, manufacturing and installation to maintenance and modernization. KONE is a global leader in managing the smooth flow of people and goods throughout buildings. This makes us a reliable partner throughout the life cycle of buildings. We are fast, flexible, and we have a well-deserved reputation as a technology leader, with such innovations as KONE 24/7 Connected Services and KONE UltraRope®. KONE employs over 63,000 dedicated experts to serve you globally and locally.
